Coverage

The coverage that you have selected is shown on the front page of this contract. If a covered failure occurs, we will repair or replace the covered part(s), or we will pay an authorized repair facility reasonable and customary charges to do so, not to exceed manufacturer's suggested retail price for covered parts, and specific labor times published in Motor, Chilton, Mitchell or the manufacturer's warranty labor time standards, subject to the deductible, and the other provisions of this contract. Reimbursement may be made directly to you for an authorized claim. Replacements will be made with parts of like kind and quality (including any new, re-manufactured, exchanged, or serviceable used components or parts at our option).

Comprehensive Coverage:

In the event of a covered failure, we will repair or replace all failed parts of your vehicle except those listed under What is Not Covered of this contract.

Contract Options

Ride Share Vehicle Option: If this option is selected, you have elected to purchase coverage that permits you to use your vehicle in a ride share or transportation network (e.g. Uber, Lyft). What is Not Covered, 2. B. is deleted and replaced with the following: This contract does not provide coverage if your vehicle is used for commercial hauling, delivery or limousine service.

Deductible Waiver Option: If this option is selected, the deductible will be waived if you return to the seller for covered repairs. If covered repairs are performed by a repair facility other than the seller, the deductible stated on the front of this contract will apply.

Additional Program Benefits

Rental Car Reimbursement: In the event of a covered failure under this contract or the manufacturer's warranty, we will reimburse you for the expense actually incurred for the rental of a substitute vehicle through a licensed rental agency during the repair. Reimbursement shall not exceed \$40 per day for a maximum of 10 days or until your vehicle is repaired, whichever occurs first.

Towing and Emergency Roadside Service: If your vehicle is in need of emergency roadside service, you must call the 24-hour toll free number at (800) 831-6870 for service. The following benefits are subject to a maximum benefit of \$100 per occurrence: towing, jump starts, flat tire changes (using your inflated spare), delivery of an emergency supply of fuel, oil, fluid or coolant, lockout service (key cutting is not included). Any towing or emergency roadside service not initiated through the 24-hour toll free number at (800) 831-6870 is limited to a maximum benefit of \$50 per occurrence, and valid receipts will be required for reimbursement.

Trip Interruption Reimbursement: If a covered failure under this contract or the manufacturer's warranty causes your vehicle to become inoperable and you are required to remain overnight while repairs are completed more than 100 miles from your home, we will reimburse you for restaurant and hotel/motel expenses actually incurred during the period repairs are being made. The allowance for meals and lodging is \$250 per day for a maximum of 3 days or the period of time that it took to repair your vehicle, whichever is less, not to exceed \$750 for each covered repair visit. The date of the covered failure is considered the first day of the 3 day period. Valid receipts for meals and lodging and a copy of the corresponding repair order will be required for reimbursement.

Vehicle Maintenance Requirements

Maintenance expenses are your responsibility. Whenever possible, it is recommended you return to the dealership where you purchased your vehicle for maintenance services. In order to maintain valid contract coverage, you must have your vehicle checked and serviced in accordance with the manufacturer's recommendations, as outlined in your vehicle's Owner's Manual. You must retain all copies of verifiable receipts and repair orders for maintenance services. These copies must indicate customer name, repair order number and date, vehicle identification number, odometer reading at time of service and a complete description of the service performed including required parts and materials. You may be required to provide evidence of all maintenance services. Failure to provide proof of services performed may result in denial of coverage.

Claim Procedure / Pre-Authorization

1. Use reasonable means to protect your vehicle from further damage in order to prevent additional expenses, repairs or complete denial of the claim. You will be responsible to pay any such additional expenses;
2. Whenever possible, return your vehicle to the dealership where you purchased your vehicle. If this is not possible and you need assistance, call us toll free at (800) 643-9059;
